TESTIMONIAL

Mr. Aashish Kumar (DS-MAX SPECTRUM)

Hi, this is Aashish, purchased flat in DS-MAX SPECTRUM. We were searching for flat in good location; finally we came to know about DS-MAX Properties. When we visited the project we were very happy with the location which is easily accessible and near to main road. Speaking about the flat, the ventilation is too good and surrounding is excellent. Price is very reasonable. I am really happy with my flat, if i get chance i will surely buy another flat with DS-MAX PROPERTIES.
