Being a part of the 85 acre Ivy Estate has its own set of advantages. It's all about the joys of living together in sync with nature. At the same time, it is also well integrated with the city through the Nagar Road which is only a few steps away.

Ivy Estate has greater connectivity to areas like Kalyani Nagar and Koregaon Park. Even Rajangaon Industrial hub is just 20 kms away.

It will also be a part of the R. P. Road being proposed from Wagholi to Kharadi, making it easily accessible to people travelling from Magarpatta and Hadapsar.

Moreover, its proximity to Pune Airport and Kharadi IT Park makes it one of the most sought-after destinations in Eastern Pune.
