The stretch of blue between the two towers is pure bliss. Dive into the swimming pools at Marvel Brisa. Drown your stress or burn the extra calories while having fun. The reflecting pool paints a blue border around the pool bar where you can sip on chilled mock tails. Or you can also give your kids swimming lessons in the shallow pool.

Right next to these water bodies is a sunken lounge. A perfect place to laze around on a Sunday or catch up with family. The patch of blue is outlined by lush green flora that also houses several sun decks. A setting that has a relaxed resort like feel.

But the centre of attraction at Marvel Brisa is in fact a peaceful corner. Located just behind the second tower, the Clubhouse shields you from the disturbances of the outer world and transports you into a universe of your own.

Its entrance is adorned by a landscaped garden where an eco pond reflects the blue sky.

The pond is also home to some exotic aquatic plants. Adjacent to this area is a multi-purpose lawn that can be the venue for your lavish Sunday brunches. A secluded sun lounge is the best place to get immersed in a book while getting a golden tan. The Clubhouse continues to amaze you with an open terrace and exclusive barbecue pavilion.
