THE LUXURY OF TIME
SARJAPUR OUTER RING ROAD

BREAKFAST. DON'T HAVE IT FAST.

Breakfast needn't any longer be about what can be prepared fast.
And eaten faster.

Savour it. One bite at a time.

Have your fill.

Be all geared for the day ahead.

The time before breakfast can be spent leisurely, too.

Don't water down your swimming session.

Let not jogging seem like a race.

Let your gym time carry more weight.

Good mornings. They are dawning.

**LUNCH.
ADD THE WONDERFUL
INGREDIENT OF HOME
AMBIENCE TO IT.**

Have a lunch that works, by simply coming home from work for it.

Eat till you burp.

Let a little time be eaten up listening to your little ones' school stories.

Drive back. Feeling more driven to work.

Good afternoons. They are dawning.

TEA. LET THE GOOD OLD DAYS COME POURING.

Remember the childhood days when you had a steaming cup of tea and delectable snacks in the evening before rushing out to play?

Bring those fabulous days right back.

Because, there will be no more of returing from work with only a little time for rest before dinner.

Enjoy tea time with family.

Step out for a refreshing stroll.

Play with your kids.

Catch a movie at a multiplex.

Retire for the day with a deep sense of contentment.

Good evenings. They are dawning.

SOBHA MARVELLA. INSPIRED BY THE POWER OF TIME.

BE EMPOWERED BY NOT JUST TIME, BUT BY TECHNOLOGY, TOO.

Your Sobha Marvella home will also be a **SMART HOME**. So, apart from giving you all the time you need for all you want to do, it also ensures that the time spent away from your address will mean absolute peace of mind. You can control everything about your home with a touch pad or a smart phone. Live the super smart life. In every way.

**MOOD
SETTING**

YOUR HOME WILL OPEN THE DOOR TO A GREAT EVENING, EVEN BEFORE YOU OPEN THE DOOR.

The lights, the ACs, the fans...everything can be set the way you want it, from wherever you are, using your touch pad. So your home is ready for an evening of vibrance. Just step in with your family, and soak up the ineffable feeling.

**GAS LEAK
SENSOR**

GAS CAN LEAK, BUT YOU CAN ALWAYS HAVE AN AIR OF CONFIDENCE ABOUT YOU.

Be you at home or elsewhere, you can know it when your gas cylinder leaks. And, therefore, deal with the matter in a timely way. Your home is a taste of the future. So breathe easy, always.

**ENTRANCE
MANAGEMENT**

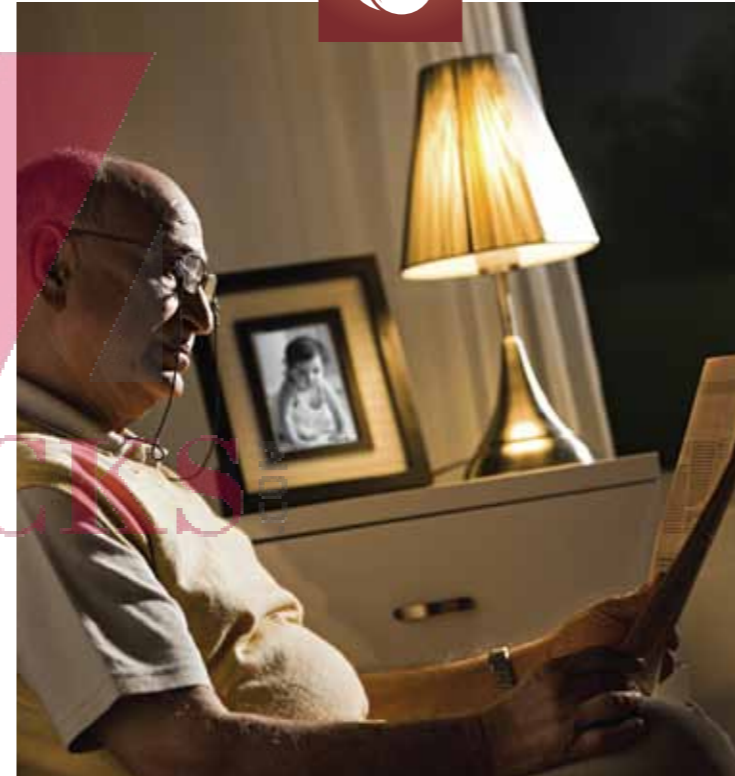

THERE IS A SMART STRANGER AT THE DOOR. BUT YOU HAVE SOMETHING SMARTER.

Trouble comes knocking. You are not in. But your kids are. However, you can rest assured. Because, that is how secure your home is. Yes, you can see who is at your door from miles away. So any attempt at intrusion is nipped in the bud.

**PANIC
BUTTON**

WHEN AN ELDERLY MEMBER HAS A PRESSING MEDICAL NEED, JUST A PRESS WILL DO.

Dialing in a situation of health scare is not to be expected of the elderly. Your home simplifies matters for them. With just one soft press of the panic button, an alert is sent pronto to a set of pre-decided numbers, including that of hospitals.

FAQs ON HOME AUTOMATION FEATURES AT SOBHA MARVELLA

What is a Smart Home & why should I own it?

Smart Home is the biggest innovation in real estate that will change the way you live for better. Sobha Marvella's home automation solutions shall allow you and your family to feel and enjoy a visible upgradation of your living standards. These homes shall integrate key activities in daily life to a console that you can use to effect greater convenience and security for your family inside the home though being outside the home.

Can I monitor and control Home from my phone or personal computer or a laptop?

Yes, we can enable the Home Automation Application on your Smart Phone as well as computer or your laptop if it has internet connection.

How can I save energy and money from Home Automation?

Your Sobha Marvella apartment will possess optional Away/Vacation/Low Energy modes which will switch off device connected to automation system that use standby current. In typical households, 30% of electricity is wasted in Standby and Leakage.

Can all types of lights be controlled by my console?

Yes, all types of lights as well as fan and split AC in your Sobha Marvella apartment can be controlled through your console.

Can light control be integrated with other controls?

Yes. Light controls can be integrated with other appliance controls to create moods.

In case of any problem who will support me?

Sobha Marvella's authorized and exclusive supplier of Home Automation features shall provide you with an AMC at reasonable cost which will entitle you to prompt after sales support.

Will system work in case of power failure also?

Yes, the UPS shall enable the system to work even in case of power failure. The system has its own backup to manage the transition from mains to DG set power and back.

What is the guarantee and warranty on the product and devices?

Sobha Marvella's Smart Homes comes with a one year warranty.

What will happen if the Automation system has a failure? Will I have to live in dark?

The Sway system in the automation enables true two-way control of devices from traditional switch as well as home automation. In the unlikely event of home automation system failing, the traditional switches will continue to work, so you can use your lights, etc. via traditional switches. This feature also allows different people in the family to use the home as per their convenience: those who are comfortable with automation system can use it, those who don't want to use automation system can continue using traditional switches. Both modes of operation can co-exist seamlessly. Also when you move into the home, you can take your time to familiarise yourself with the system because traditional switches are anyway there for you!

I have servants/watchman, why should I go for Home Automation?

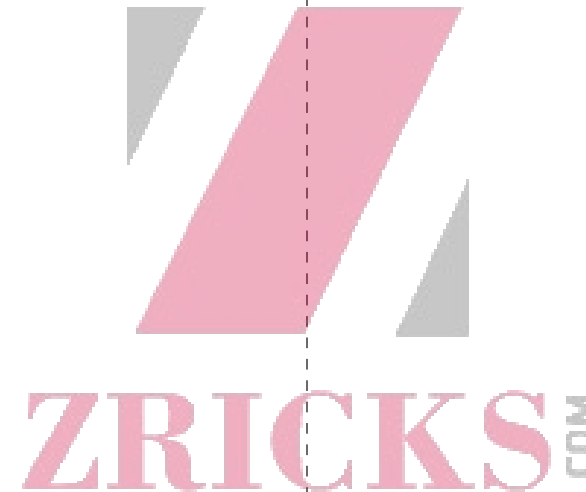

Most of the theft & system failures are by insiders and incorrect usage. Your Sobha Marvella apartment shall assist you/safeguard your privacy and enhance your lifestyle.

What shall be the power consumption of this system?

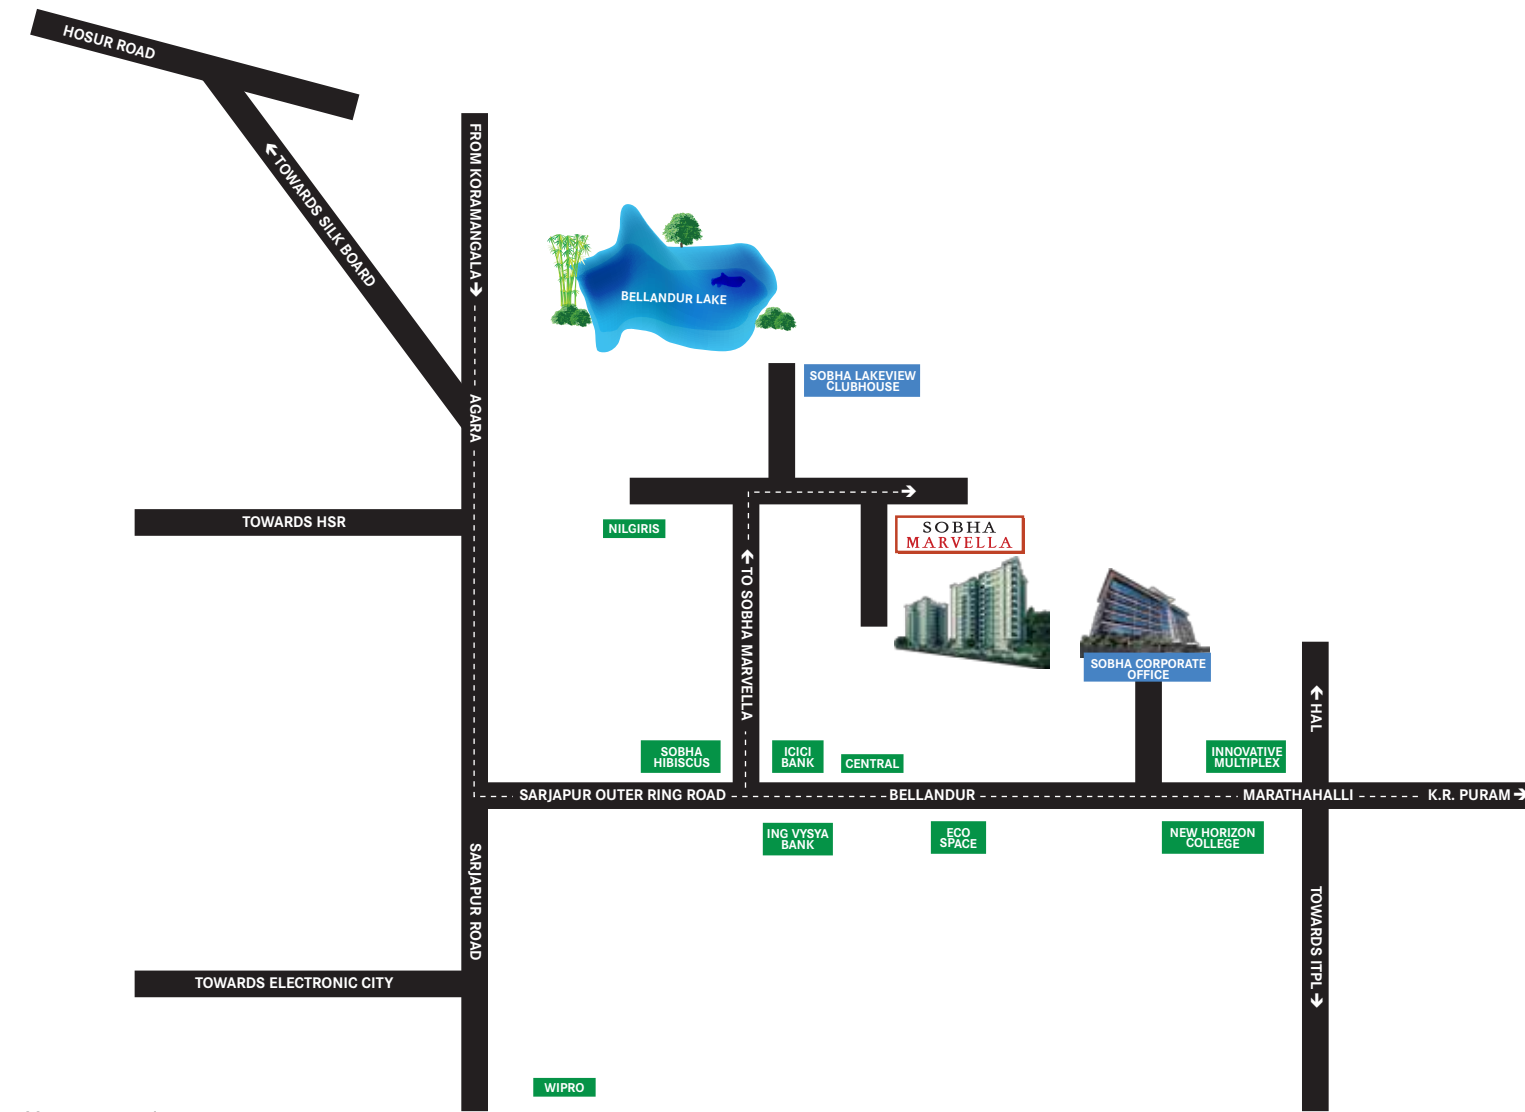

There shall be approximately 40 Watts power consumption by this system.

What kind of maintenance shall be required for the system?

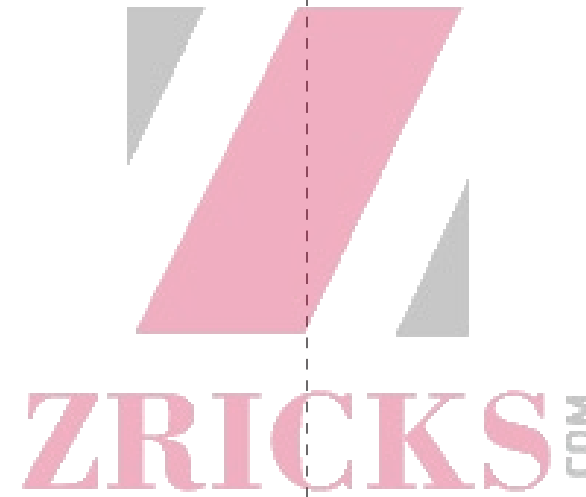

As such, the Home Automation features in your Sobha Marvella apartment shall serve you with full satisfaction for at least 3-4 years. However, over a period of time, technology improvements and wear & tear may necessitate few exercises like change of device, enablement of new device, change of registered users, resetting of master account, adding any new device, system upgrades, etc. which shall be taken care of appropriately.

WE BUILD QUALITY INTO EVERY DETAIL.

Over the years, we, at Sobha Developers Ltd., have become one of the most preferred real estate developers in Bangalore. Today, we build homes to cater to the discerning homebuyers all across the city. A city that is truly the Silicon Valley of India and one that has been recognised as the "Best Indian city to live in" on all parameters.

Over the past 17 years, our passion for perfection has driven us forward, and it gives us great pride to state that we have successfully completed over 80 real estate projects and 216 contractual projects, while delivering a total of more than 52 million square feet. In the fiscal year 2011-12 alone, we registered fresh sales valuing at INR 17.01 billion in the residential segment which is all set to grow by more than 15% in 2012-13 fiscal. This, in itself, bears testimony to the brand equity of Sobha – now a 2000 crore brand listed on the BSE & NSE.

Since its inception in 1995, Sobha Developers Ltd. has blended a strong customer centric approach with robust engineering, a high degree of business ethics, timeless values and transparency in every sphere of business. All of these contribute to make us one of the most respected real estate brands in India. And an organisation where quality meets excellence, technology meets aesthetics, and passion meets perfection.

It is often believed that quantity and quality seldom coexist for long. But we at Sobha Developers Ltd. have made this possible. Headquartered in Bangalore, we have completed 55 residential projects across the city, which reflect our undeterred passion for excellence, perfection and detailing. These include hallmark properties like the highly successful Sobha City, Classic, Elite, Forest View, Habitech, Dewflower and many more. Our relentless pursuit of quality is a constant in every property we create. Little wonder then that all our projects garner instant admiration.

It is this conviction that has earned us the trust of people all across the country. Sobha won "The Most Reliable Builder Award" (voted by consumers) at the CNBC Awaaz Real Estate Awards on 22nd December, 2012. The company also received the award for "The Best Residential Project in the mid segment (Rs 35 lac – Rs 1 crore) with 70% or more completion" for Sobha Elite at the same event. Also, Sobha Forest View was awarded "Environment-Friendly Project of the Year" by Realty Plus Excellence Awards 2012 – South. This is testimony to the faith people have in our quality and service.

We have expanded our footprint in 22 cities and 13 states across the country with properties in major cities like Bangalore, Gurgaon, Chennai, Pune, Coimbatore, Thrissur and Mysore. Currently, we have 38 ongoing residential projects aggregating to 23.50 million square feet of developable area and 16.51 million square feet of super built-up area as well as 42 ongoing contractual projects aggregating to 9.22 million square feet, under various stages of construction.

Apart from being one of the top real estate players in the country, we are also the only backward integrated entity in the entire real estate sector. The company is widely and indisputably recognised for redefining the very perception of quality and perfection in the construction space. This is endorsed by the accolades we have consistently earned over the years for building close to 200 landmark premises for some of the biggest corporate houses of India. Once you buy a Sobha home, its unmatched finesse and detailing will surely make you experience the true joys of owning a quality home.
