BANER: A NEIGHBOURHOOD THAT HAS 'SMART' WRITTEN ALL OVER IT.

Baner is set in a location where every convenience is but a stone's throw away. It is parallel to the Mumbai-Bangalore expressway, and close to Hinjewadi IT hub, Aundh and of course, Mumbai. It enjoys the dual advantage of being close to central Pune as well as connected to metro cities Mumbai and Bangalore via the expressway.

A select few locations in Pune have come around to developing their very own social profile like the eastern areas of Boat Club Road, Koregaon Park, and Kalyani Nagar. Similarly in the western part of Pune, Baner is one such neighbourhood that has evolved into a finely-tailored residential area geared towards the upper crust.

After all, we wouldn't want you to settle for anything less now, would we?

WE'VE SAVED THE BEST SPOT FOR YOU.

As far as location is concerned, we couldn't have given you a better one. For even the State Government deems Baner as a noteworthy neighbourhood with a planned infrastructure and a multitude of amenities. A 120-foot road, expected to be functional by 2016, will connect Balewadi, Wakad and Baner, leading to efficient commuting.

To add to this, the project site will also be connected to the Mumbai-Pune expressway with an 18m wide proposed road on the south side, a 24m wide road on the north and a 9m wide feeder road on the north-west side which will connect both proposed roads.

The project has unrestricted scenic views, as it is located right next to the proposed 200-hectare Baner-Pashan biodiversity park.
