Kanjurmarg

THE UNDISCOVERED HEART OF THE CITY

Kanjurmarg is fast growing to be a gem in the heart of the city. With the construction of the new freeway providing quick connectivity to South Mumbai and the existing Eastern and Western Express Highways along with the Jogeshwari-Vikhroli Link Road in close proximity, this evolving destination is the place to be.

By road, all corners of Mumbai are easily accessible from Kanjurmarg - South Mumbai via the new Eastern Freeway, the Western Suburbs via JVLR, the International Airport and BKC via SCLR , the Central Suburbs via the Eastern Express Highway and Navi Mumbai via the Airoli bridge. With the construction of the proposed Mumbai Metro lines, it will offer enhanced connectivity to SEEPZ, BKC and other parts of Mumbai.
