Shikhar
SHIKHARAM
Built around 1950

The architectural solution of Shikhar has inspired a whole generation of architects working worldwide using the concept of 'flowing architecture'. Architecture is not limited to buildings and urban planning but it is a way of life. It is a way of life that is not limited to buildings and urban planning but it is a way of life.

The architectural design of Shikhar is a way of life that is not limited to buildings and urban planning but it is a way of life. It is a way of life that is not limited to buildings and urban planning but it is a way of life.
