ZRICKS
LIVING

drive to push the limits of style.

with 4 unique series of 1D floor mats, appropriate makes an outdoor
experience that is a class apart, even more impressive are the 2 4x6 line homes and
1 4x4 custom homes that are designed by renowned architect sculptural liberation.

equipped with world's best internal speed systems, equipped with state-of-the-art
products and labor with handpicked internationally-sourced brands, appropriate
homes are made to be spontaneously stylish.

with the philosophy

- innovation is not the goal (but it helps to reach the goal)
the goal is to maximize the potential for creating better life in the future
and create more beauty - that's what we try to do. ■

The apartments at *concepts* are open on three sides and feature an impressive inclusion of all amenities. To make every meal a fine dining experience, gourmet kitchens are equipped with full, chimney and water purifier. Even the bathrooms are fully equipped with world-class gourmet plumbing systems and include all high accessories, shower cubicles and exhaust system.

The walls adorn intricately done plaster of Paris and a superior quality of finished paint complemented by laser finish doors with gourmet hardware. The V.C. points are backed with a C.A.B. connection from the best service provider, and to make it all seamless, there's power backup through generators for the apartment's essential power and lighting requirements.

Fiber ceiling with concealed lighting along with air-conditioned bedrooms make the apartments absolutely luxurious.

TRICKS

Spentright is driven to give you an international lifestyle that isn't confined to your home.

Spentright created the cultural education that is made for all your needs and desires.

Give into the temptation of visiting in the summer past or spiritedly embrace

It was at the gymnasium and a host of indoor activities. There is also an extensive

central reflection garden for you to unwind as well as open spaces for your

children to have a joyful time.

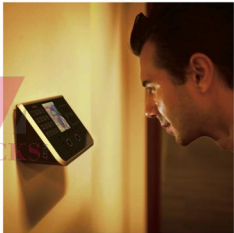

a smooth drive ensured with multi-security systems.

Even the security of apartments has been thought through to ensure complete peace of mind. Security cameras from the entire project under surveillance. These cameras relay live feed of the security cabin, each building lobby, the access controls and each home is connected to a central door phone. Absolute assurance of safety as apartments come from the fire fighting system that makes sure you live stress free.

ZRICKS

ZRICKS

drive your investment to great heights.

It's not only the living that is internationally styled at ZRICKS, these homes are also great opportunities for appreciation. Many buyers from around the world find these homes equivalent to homes abroad in foreign cities.

They are expected to fetch high returns as the strategic location makes them ideal for investment.
