ZRICKS

The word itself is the most simplest
thought that makes all of us 'smile'.

It is like a magic wand...you just read
the word and you surely flash a smile.

And this smile, is what creates something
that we cherish forever- 'moments'

'Smile' – the most beautiful element
ever created to decorate a face,
a relationship, a **moment**. In fact, a 'smile'
on the faces of **my loved ones**,
makes the moment and the **space**
unforgettable for me...
