TESTIMONIAL

Myself Khalid, We bought a flat in DS-MAX SCION located in Hennur, which is very close to ring Road with all the amenities and their pricing is very good compared to the other builders. It is a pleasure being with DS-MAX Properties they are very supportive, very corporate, they helped me in booking the flat, finance part, and all the bank loans and everything has been cleared. Apart from that the amenities looks very promising I would love to refer people in future.
