SPECIFICATIONS

It is easy to fall in love with the apartments in Kandivali at Epsilon Towers that are designed to maximise the joy of living. The 2 and 3 bedroom flats in Kandivali East epitomise contemporary living, by utilising the latest in architectural thought. The intricately-planned efficient homes are complete with premium finishings and high-end sanitary fittings. The large windows ensure continuous ventilation in all the homes, and the positioning of the towers let in ample daylight. After all a well-lit, adequately ventilated home nurtures a pleasant lifestyle.
