

Close
to the City,
Closer
to the hills.

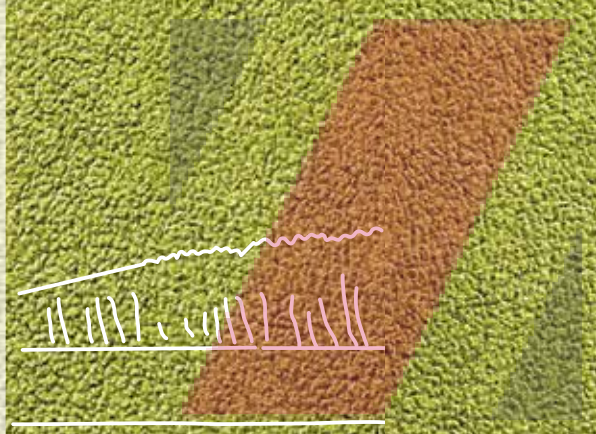

It's time for your alarm clock to retire. The Sunbirds just appointed themselves to waking you up every day! Give the curtains and the blinds a break. Let the raindrops breeze in and the sunset cast a sepia in your living room. Pack your air fresheners. Allow the freshest air from the outdoors to fill your souls with happiness. And more happiness.

ZRICKS

*Close to reality.
Closer to your dreams.*

Our windows will give your eyes a generous palette of green to feast on. You will be able to hop, step, jump and reach the gymnasium, or the nearest mall. Bonding shall happen at the emerald green picnic lawns or, on the tiger trails across the road! And unwinding will mean stimulating games of chess in the sublime surroundings, or a heritage walk to the 2400 year old Kanheri caves next door!

Oh yes! At Midori, we are as close to the reality, as we are to your dreams.

*Close to your home.
Closer to your getaway.*
