About Hubtown Limited

Hubtown (formerly Ackruti City Ltd.) is one of the premier real estate development companies in India, with diversified operations across various verticals like Residential, Commercial, Retail, Technology Hubs, Hospitality and Public- Infrastructure Development to name a few.

With over a decade of experience in executing projects ranging from the smallest to sprawling IT and technology parks, Hubtown today has achieved international benchmark levels in design, architectural planning, engineering and stringent project implementation guidelines redefining the city's skyline with landmark properties. The company offers the best-in-class projects both residential & commercial which are a perfect match for present-day lifestyle and its requirements. Its also a matter of pride that Hubtown developments not only care for the people inside but are environment friendly as well.

As a result of its extremely stringent processes and work execution systems, the company was the first in the industry to have been awarded the prestigious ISO 9001: 2008 certification which underscores the professional and strong project management capabilities, the well-defined workflow processes and the excellent track record of completing projects on schedule. Hence, the reputation of Hubtown projects being synonymous with the highest quality standards and offering life-time value to its customers.

Today, Hubtown continues to offer superior, innovative and contemporary lifestyle-oriented commercial and residential projects at prime locations in Mumbai. As a part of its operating philosophy, the company strives to meet the needs of today but without compromising the needs of tomorrow.
