Villa Luxury Apartment Ease

Think of a villa and chances are you'll think of luxury. Think of an apartment and you would think of convenience. Now Gera's Greensville SkyVillas™ gives you the best of both.

Each SkyVilla™ includes the following villa inspirations:

- A private passage leading to an entrance patio with a sloping roof
- Double-height ceiling in the living room
- A backyard with white picket-fences
- Oversized windows in the guest and master bedrooms
- One bedroom on the lower level
- An utility room for every kitchen
- Servant room with separate entrance

And with a choice of three and four bedroom SkyVillas™, ranging from 1828 sq.ft. to 2715 sq.ft., you can pick one that fits you best. Each tower also consists of a basement parking facility, a well-appointed lobby and three elevators. That's SkyVillas™. Homes that offer you the luxury of a villa and the ease of an apartment.

Every villa has a backyard.
Now picture yours on the 7th floor. SkyVillas™ offer you exactly that. Your own **backyard with white picket-fences** that give your SkyVilla™ that exclusive private feel.

With SkyVillas™ you get the advantage of a two-level villa. In fact, we've offered you an ornate staircase and enhanced it with a **double-height ceiling** for that palatial feel. Something you truly deserve.

So why should windows be a highlight?
Well, because they're not your ordinary style french windows. These **oversized windows** make the most of the double-height ceiling that we offer, making your SkyVilla™ your very own castle.

The entrance makes the first impression. And SkyVillas™ offer a private passage that leads up to your own **entrance patio** with a sloping roof. A great way to leave your guests fascinated.
