

ESCAPE
NIRVANA COUNTRY

escape routine. escape mundane. escape usual.

but you wouldn't want to escape extraordinary.

as we speak, Unitech is turning many a barren land into a landmark.

the finest in real estate design and construction, unitech is one of the leading

developers in the country, and a well known name in the global real estate

scenario. It is the first winner of the ISO 9001:2000 certification in north India. as

it celebrates the astounding success of projects like Unitech Cascades and

Unitech Habitat in greater noida, fresco in gurgaon, Escape at Nirvana Country

does not come as a surprise. Probably the most alluring aspect of 'Escape' is that

it offers you your space. these 2-3 bedroom apartments with fitted modular

kitchen and ac in every room are specially designed to keep the world outdoors.

with 80% open green space, it is pulsating with life, even with the gentlest breeze.

escape keeps out all sound, screeching brakes, shrieking vocal chords,

penetrating footsteps and creates a silence that is beyond pure absence of noise.

you can hear your own body pumping, gurgling, and finally drifting off to sleep

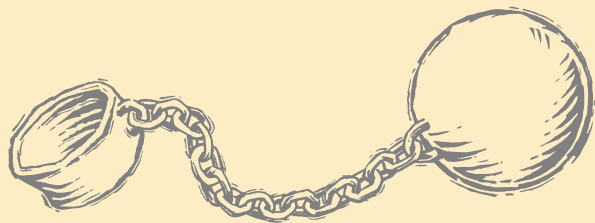

under a star clad universe when the world is whispering...in awe of your escape.
