ZRICKS.COM

It's the hub to a vibrant, active community

Restaurant and coffee shops patrons spill in from the walkways, flowing directly from the residential and recreational areas.

Vipul Plaza also caters to small businesses, ensuring a constant flow of customers throughout the day.

Great business opportunity

Vipul Plaza will cater to all the requirements of the Sector-81 and neighborhood community of residential, institutional & commercial segment.

Something for everyone

Vipul Plaza will provide a dynamic tenant mix from supermarkets, laundries, pharmacies, boutiques and stylish restaurants to offices.

It's large parking space both surface and underground provides direct access to all the stores and business. Vipul Plaza is easily accessed through pedestrian and vehicular traffic flow.

Meeting the needs of a growing community

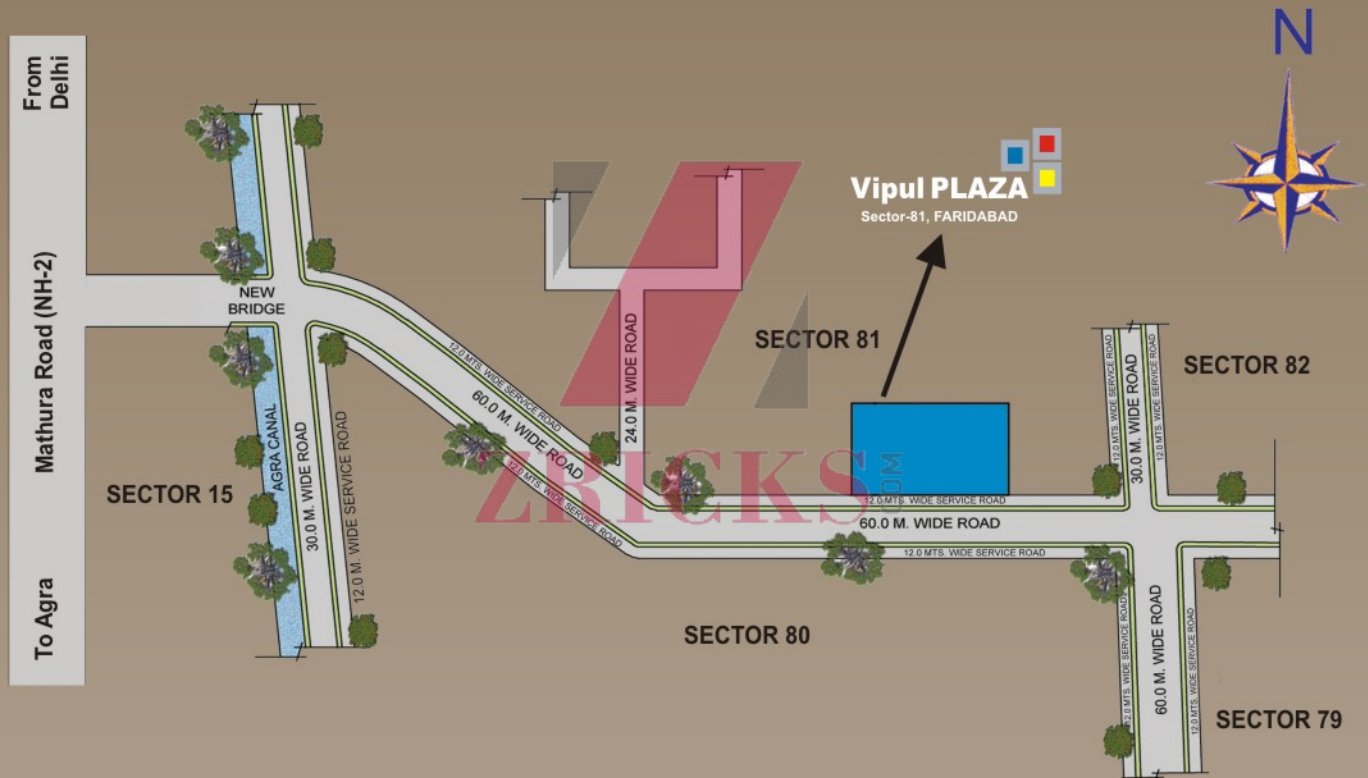

One has the option of taking the retail space on the lower two floors or the office spaces on higher floors.

Strategically located

With its unique planning and attention to design details, Vipul Plaza is perfectly positioned to take advantage of upcoming development in Faridabad, as one of the premium commercial centre.
