Specification

Windsor Street

Location: Indirapuram, Delhi NCR

Tower Category: G+1, high street **shopping cum office complex**

Project Status: Completed and Delivered

At **Windsor Street**, the layout is thoughtfully designed in a 1:2 rectangular orientation to provide ample space for showcases and internal use. Moreover, all the utilities including generators and A/C units are neatly tucked away in a specially provided overhead service corridor, which provides an obstruction-free path for the shoppers.

At Windsor Street, the combination of functionality augurs extremely well with the thrill of **street shopping**. The street offers dining options, coffee shops, salon & spa, utility shops, etc for discerning shoppers.
