

URBAN
SQUARE
AT PIONEER PARK

ZRICKS

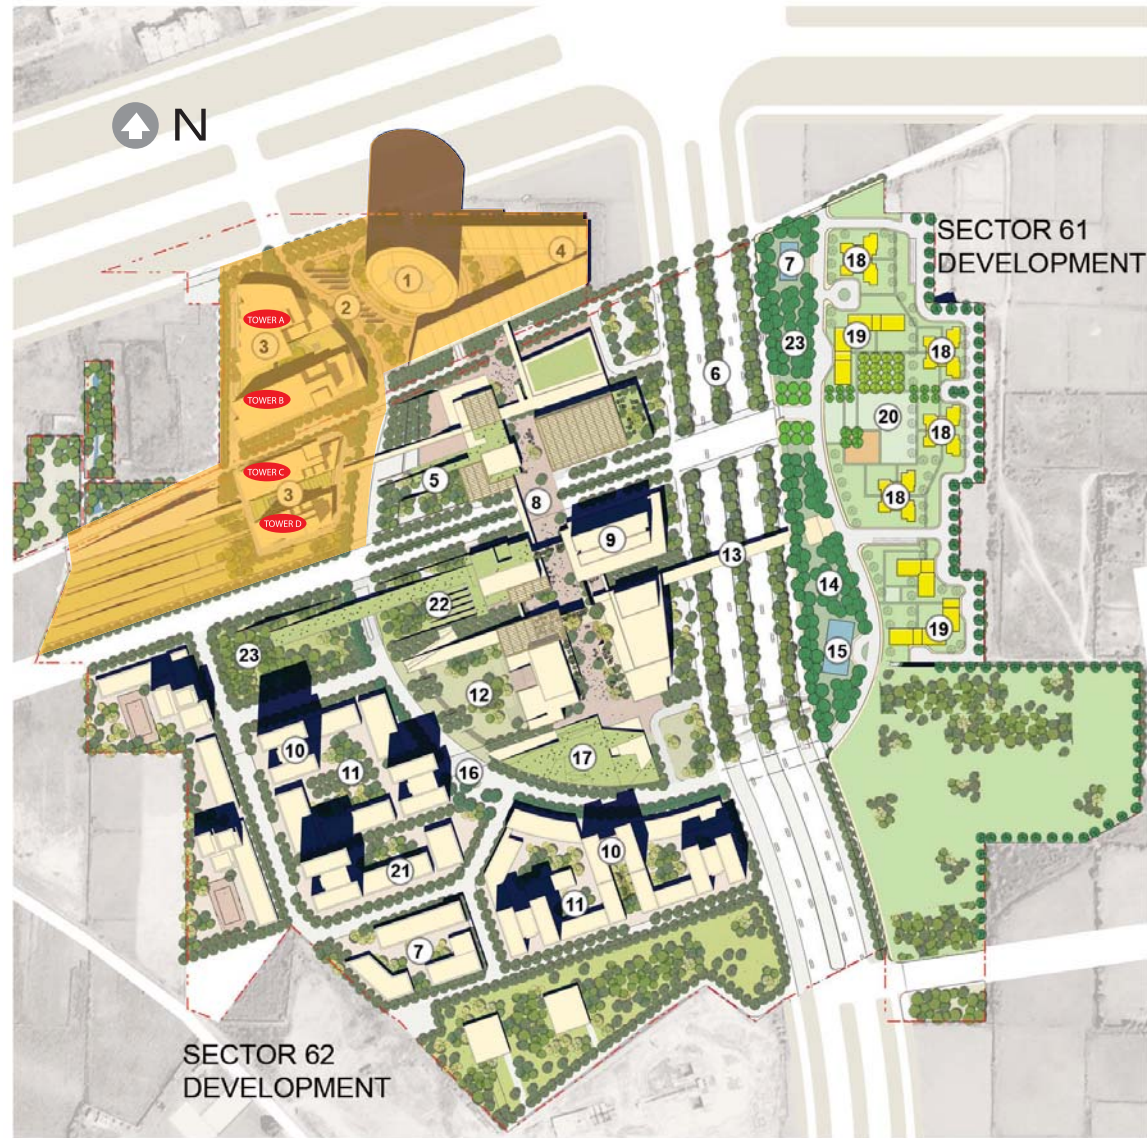

TOWER B

We believe that optimum usage of space is more important than space itself. Urban Square has been created to maximize the usage of space and energy through its innovative architectural design and sustainability options. It is a supremely efficient, ultra modern environment where attention to these small details ensures that infra-structural overheads don't hamper your big dreams, at the same time takes your business to the next level with our superb services.
