Why Bhiwadi?

Beautiful geography that's fast attracting the industrial giants. Frequent transportation that keeps the city on move 24X7. The new most happening place in Delhi/NCR Vicinity and a rapidly growing real estate market. Rajasthan's royal city of Bhiwadi is proudly stepping ahead to be the new industrial and residential interest that's well connected with the continuously extending borders of the city of Delhi.

Not just this, with its untarnished landscape becoming a common choice, the city lives up to the desires of all those who have been looking for an independent home in touch with NCR VICINITY for personal or professional interests.

Proximity to automobile Industry

- Honda Motorcycles & Scooters India manufacturing plant is operational in the city within 500 acres.
- Japanese Automobile giant, Honda SIEL setting up their second plant and suppliers park at Bhiwadi.
- Other companies in the proximity are Rayban, Gillete, United Beverages, Shree Cement etc.
- Mahindra Motors coming up with a giant 450 acres plant.
- A 500 acres plant of GM is expected to come in the vicinity.
- Bhiwadi is the third largest industrial hub of India.
