FIRST FLOOR PLAN

SECOND FLOOR PLAN

AIRWIL WOW is power packed with amenities and features which are A class apart from those being provided by any other project in region. New Delhi and Noida just a few steps away, the Project keeps you close to attractions of Delhi/NCR.

Impressively designed and crafted by finest architectural firms AIRWIL WOW is elaborating the thoughtful working for modern individuals. The project is establishing the luxurious aura with its incredibly vibrant features and specification which befits the modern day life.

The privilege of being an 2 Side Open Plot, with Green Belt on one side. It is the most demanding location in the entire region for future perspective. Vicinity to all the major locations in the city is a great plus point for AIRWIL WOW. Working on every detail to make this AIRWIL WOW look classy and luxurious, our experts have planned a perfect layout and selected the finest designs for each building or structure within the premises.

Our wide range of facilities includes, Hotel, Retail Shops/Stores, Commercial Space, Blanquette Halls, Swimming pools and lots more. Luxurious lifestyle for the elite crowd is what we aim to provide in this AIRWIL WOW.
