9 Hole Golf Putting Range

It's an indoor Golf course first time in India. The benefits of having an indoor golf course are obvious. There would never be a day too rainy, too snowy or too hot to play. A person could practice year-round and in climates not usually conducive to golfing.

Ice Skating Rink

It's the coolest place to hangout.
This is a great opportunity for
families and friends to get on the
ice and have fun and skating
together.

Not everyone can have the luxury of experiencing a day at the beach. If the beach is beyond your reach, we promise to bring the beach to the heart of NCR near you. On this beach, once every hour, on the hour, the surf is always up. Every afternoon is a carnival. mechanized parrots squawk from branches of the dome's ingenious rain forest, which remain lush and tropical without rainfall or humidity. Best of all, on this beach, you can lull for hours on crushed marble pebbles without a worry about beach vendors, bugs or sun burns. Perfectly-timed waves whip equally well-groomed surfers along in 28-degree, chlorinated, salt-free water to the sanitized shore where they drip-dry on the beach's perfect climate.

ZRICKS

It is the recreation of rolling downhill in an orb, generally made of transparent plastic. Zorbing is generally performed on a gentle slope, but can also be done on a level surface, permitting more rider control. It is such an addictive fun that you will want to do it again and again.

Zorbing

The Film Academy was founded on the philosophy that "learning by doing" combined with best industry practices is more valuable than years of theoretical study for filmmakers and actors. This educational model allows students to achieve more in less time than at all other film or acting schools in the world.

New York Film Academy

It has a collection of wax sculptures representing famous people. It is one of the most famous tourist attractions. You would love to see your famous stars in wax sculptures. For the first time we are introducing this wax museum in India.
