- High-rise townships of Sahara City, Wave city and Hi-tech City within Walking Distance
- Project located on 25 ft Arterial Road of Modern Railway City
- Proposed Metro Station within 3Km
- Planned Civic amenities of Street lighting, Sewage
- Wide Internal Roads of 20 ft.
- Security of a Gated Community
- Lift with Power back up
- Covered Parking available

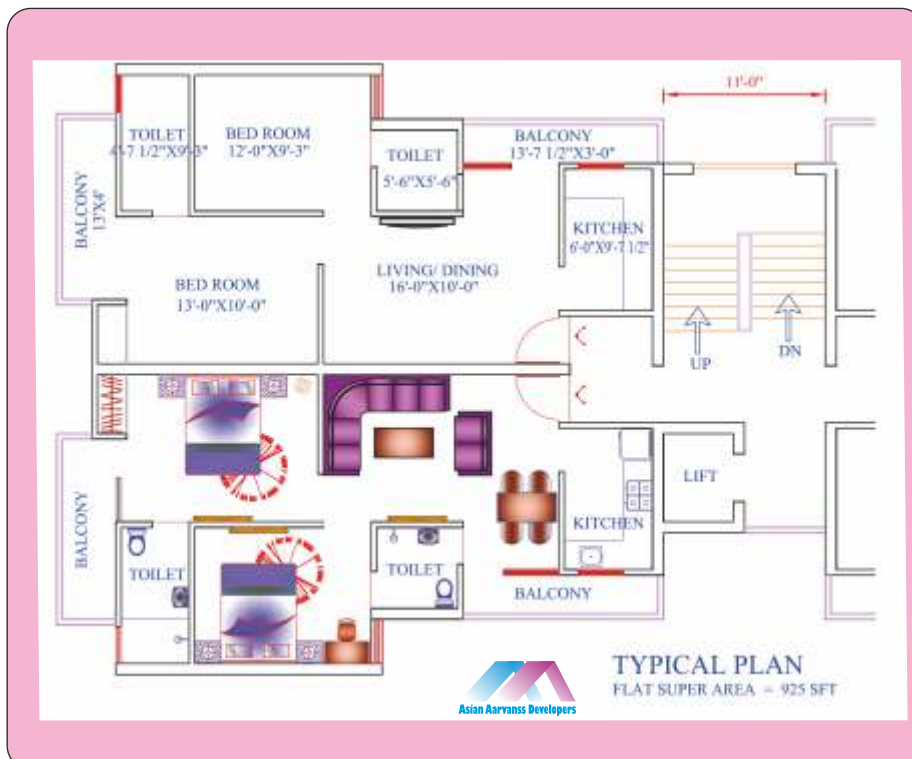

About Asian Aarvanss Developers

We are an infrastructure development company. Principal promoters are in construction business for over 30 years with experience in constructing roads, housing and commercial complexes. Experience includes over 8 years of colony development in U.P. (Including co-development of Modern Railway city), Haridwar, Meerut and Mumbai.

Conceptually designed by experienced architects, the independent flats @ Modern Heights offer spacious 2 Bedrooms with 2 attached toilets and a kitchen. With a large living room and balconies in both the front and the back of each flat, Modern Heights offer sustainable future ready accommodation for you and your family.
