ECO FRIENDLY DESIGN

EARTH INFRASTRUCTURES LIMITED

Engineering expertise, innovative masterpieces and unbending standards of quality makes Earth Infrastructures Limited (EIL) a real estate company to reckon with. The company's global presence, a dynamic investor patronage from India and Europe further makes it one of the most well capitalised companies of India.

Forming our foundation at Earth is our ability to meet special requirements of our clients. The company weaves its commitment towards green development in all its projects and creates buildings that are inspired by elements of nature. No wonder then, EIL projects will be LEED Certified.

OUR VISION

To be the most innovative and trusted brand in real estate industry by adopting new technologies with a focus on green and eco-friendly construction to fulfil the expectations of the customer.

EARTH TechOne

A fabulous IT/ITES project

Earth Tech One is a state-of-the-art venture designed to provide the world-class office space to the reputed organizations. It offers contemporary work space for leading corporate hubs; software giants and IT enabled service companies seeking globally benchmarked infrastructure. Business facilities at this world-class property include a business center, wireless internet access, meeting rooms for small groups, public video conference rooms and a technology helpdesk.

Once you own an IT/ITes office space at Earth Tech One, it takes only 30 minutes to commence work. We take charge of all your office needs, so all you have to do is simply move in and start working.

Fully furnished Plug and Play office spaces equipped with all modern fitting and fixtures. Earth TechOne presents a host of futuristic facilities complemented with efficient and inspiring work environment for new-age IT & ITES professionals.
