INNOVATIVE IDEAS, TRADITIONAL VALUES

Apartments this contemporary, this stylish and this spacious would grace any city in the world. In Gurgaon, they add a refreshing twist to a rich architectural heritage. Designed by architects Horizon Design Studio, the apartments certainly look impressive from the outside, they feature a top-to-bottom stairwell that infuses every storey with abundant natural light. Incorporating two, three or four bedrooms, the apartment interiors are equally impressive. With their good size glass windows and pure white walls, each naturally illuminated living space offers superb views that make the most of the surrounding landscape and urban panoramas. Each apartment has its own private open balcony, like an additional room outdoors with a unique backdrop of its own. Apartments open up into spacious living areas, a grand dining room and balconies. Large windows offer incredible views of the surrounding. Majority of apartments at the premier terraces will form part of exclusive joint blocks-high rise towers with two, three and four bedroom apartments in a range of floor plan configurations each with a large balcony and excellent finishing. The highlight of these towers will be the spectacular three and four bedroom apartments which will provide breathtaking views from their balconies over greens and beyond.
