ZRICKS.COM

Golden Floors is a premier residential project located in sector 50 in Gurgaon. Golden Floors is built as a haven of peace and luxury away from the hustle and bustle of the city. This prime residential project offers 3 and 4 BHK apartments of 1,500 sq. ft. and 3,350 sq. ft. respectively that are ready for occupancy. World-class amenities and facilities come pre-equipped at Golden Floors, where cutting edge architecture and luxurious design are combined to create an unparalleled living experience. Located conveniently in Gurgaon, Golden Floors links well with Delhi and is in close proximity to prominent educational, medical and commercial complexes.

### Project USP

- Open green areas with pretty pathways
- Private club house offering a variety of recreational activities including:
- Spacious and well-equipped gym
- Large swimming pool
- Ample facilities for indoor and outdoor games
- Special children's play park with safe and secure play equipment
- Technologically advanced round the clock security system with intercom facilities to maintain a safe atmosphere at all times
- 24x7 power back up to ensure smooth and uninterrupted functioning of building, amenities and facilities
- Environmentally friendly design of campus with facilities for rain water harvesting
- Generous parking space with fixed spots for residents and sufficient area for visitors
- Competent and efficient management of facilities and amenities by well-trained staff
