ANTHEM INFRASTRUCTURE

"Heading towards sky"

The Real Estate industry is the most emerging sector in Indian economy. For the last several years infrastructure development is at rising graph. The engineering technology has introduced a revolution in this sector. Like any other productive industry, Real Estate needs huge financial strength and skilled professionals.

Anthem is an ISO 9001:2008 Certified Company and a group of 1,000 Crore turnover companies. Four strong pillars, Financial Services, Manufacturing & Exports, Metal and Real Estate, form it.

For the last 10 years, group's financial services division has reached the sky level of financial market, it is trusted by renowned Blue Chip MNCs & PSU clients.

The Automotive Components manufacturing division is precisely five decades old company and having wide acceptance in the Global Automotive Industry. It has been exporting auto-components to more than 35 countries across the world with millions of satisfied clients. The major global OEMs and automotive suppliers are its esteemed business associates.

Since 1973, the Metal manufacturing division is a leading Copper manufacturer in the entire nation. The division has already made its huge mark in the Copper Trade Industry. Its principal objective is "to promote the beneficial usage of copper for safety, health, environment and energy savings."

In Medical sector, Anthem Group is fulfilling global demand for medicines & surgical equipment through exports to 24 countries.

Anthem Group has been developing commercial buildings in the capital and other growing cities of the nation. Now, for the first time the company has introduced a residential housing complex in NCR, Noida Extension. Anthem vision is to develop houses for common people of the nation with no quality compromise and with the best of international standards within reasonable budget. The organisation has strong overseas clientele and the management is impressed and inspired with the French architecture. Anthem is bringing the 'west to east' flavor in the project. Therefore the management has decided to name this project the FRENCH APARTMENTS.

Anthem Infrastructure welcomes you to become one of the FRENCH APARTMENTS' special & prestigious families.

“The best place for me to enjoy my music is my home and when I see my son’s smiling face, it gives me inspiration to compose music. I must say, life is incomplete without family and good friends and my best friends are my fans. Who always motivate me to create something new.

I am really happy to get associated with Anthem Infrastructure and eagerly waiting to get my new home in French Apartments”.
