

Defined by experience, expertise & excellence

The man, Mr. Raushan Prakash, behind the Geotech Infrastructure had started his professional journey in the field of real estate nearly two decades ago. He won accolades for playing a key role in development of a score of prestigious projects. He outgrew many real estate companies whom he served in the most important capacities. The natural progression was Geotech Infrastructure, which he established in 2007. Top quality, commitment for timely delivery, transparency and technological superiority are the basic tenets of Geotech which has industry's best professionals and infrastructure dedicated to achieve the company's mission of creating finest landmarks. Geotech is a pleasant blend of experience, expertise and excellence.

Raushan Prakash
MD, Geotech

ZRICKS.COM

A highly respected figure for delivering beyond promises

With sterling experience of nearly a decade in the real estate industry completing and delivering very many prestigious residential projects, Raushan Prakash is a man on the mission. Today, he heads Geotech. But prior to this he has co-partnered with various prestigious companies in the field of real estate; and has been instrumental in developing dozens of huge residential projects predominantly in the Delhi NCR region. He has experience of delivering more than 20 lacs sq. ft. of residential space so far. He leads an efficient and highly motivated team. The most modern technology and equipment used in construction industry is at his command. His energy is contagious and his promises are inefaceable, as evident from his past successes. Geotech Blessings is close to his heart whereby he wants to prove that affordability and luxury can meet up well.

GRACEFUL LIFESTYLE HOME FROM GEOTECH
Sector 1, Greater Noida West

A paradise for blissful living

Spread over an area of 2.5 acres, Geotech Blessings is a lovely complex having **2 and 3 BHK apartments** varying in size from 1050 to 1575 sq.ft. Carefully planned exteriors, well designed interiors, open meticulous landscapes are integrated with blissful features of the project which consists of many Green Building

Uniquely designed for comfort & style

Aesthetics and comfort have preoccupied the well-known architect company, Deepak Mehta & Associates, right from the stage of developing blueprint for Geotech Blessings. The effect of intelligent designing is that apartments are roomy, ventilated and full of sunshine. The interiors have further been enhanced as each apartment comes furnished with

- **Modular kitchen with Chimney**
- **Wooden flooring in Master bedroom**
- **Air conditioners, and Wardrobes in all the rooms.**
- **Spacious Balconies**

The tastefully designed apartment complex is truly a pleasant blend of comfort and style.

GRACEFUL LIFESTYLE HOME FROM GEOTECH
Sector 1, Greater Noida West

Ideal location with bright prospect of value appreciation

Greater Noida is truly a smart city which is well-planned and uncluttered. The city is steadily on rise, but on the lines of its master plan. Greater Noida (West), which is presently full of buzz with high-class residential development, is the extension of the planned city and is ideally located. It is well connected by wide roads and expressways (some are soon to be completed) to the entire Delhi and NCR. Geotech Blessings is well located in this precious precinct with close proximity to a spate of schools, markets, malls, hospitals and various integrated industrial zones of Greater Noida. The project will soon be within ambit of metro connectivity too.

- On 60 m wide road with easy connectivity to Delhi NCR
- 20 min. drive from Delhi
- 3 km distance from the FNG Expressway
- Close to the proposed Metro Station
- Markets, schools, mall, hospital in vicinity
- Surrounded by green belt with large sector parks
