CRORES+ on entertainment, food, clothing and outings.

TRICKS

Yet, there is an aching need for a world-class shopping, entertainment and business center.

Dwarka has tremendous scope of a megaplex offering a technologically advanced cinematic experience.

A diverse and multi-cultural foodcourt and exclusive fine dining restaurants are much needed in the city.

While there are independent desi and international brand outlets, all of them in an air-conditioned space would be a welcome respite.

Dwarka could very well do with Luxury and Business Hotels along with Corporate Suites that are at par with the best in the world.

Not surprising then, PRATHAM GROUP, has conceptualised an iconic development in this city which is destined to change the lifestyle of residents of DWARKA.

A virtual goldmine of opportunities for investors, retailers and corporates.
