Vardhman greens is one of its only kind of ecological colonies in the city. Greenery, plantation, rain water harvesting and waterfalls being its highlight. At ACL, we believe that its important to live in hygienic and clean surroundings. Vardhman greens is a success story which lead us to do even bigger projects.

📍 The Location and Connectivity of Vardhman greens Meerut-

- Gated colony with modern infrastructure.
- Unique distinction of being located near the highway. The benefit of being away from the highway is that the ladies and children are safe from the 24*7 heavy traffic on roads. Ladies can drive through conveniently.
- Hub of Development on both sides.
- Proximity to Delhi, just 50 Km.
- Inhabited surroundings.
- Meerut is an important and upcoming city of NCR, 60 minutes drive from Delhi.
- Very well located on Baghpat road, Meerut.
- Pollution free and green surrounding.
- Located inside the city boundaries.
- No railway barrier on Baghpat road.
- Well connected through public transport.
