ARVIND

The Arvind legacy spans more than 80 years, and entails a spirited journey that led us through diverse challenges to achieve a remarkable success. Today Arvind is a one billion dollar conglomerate. Over this journey of more than eight decades we have emerged as leaders in the textile industry in India and have become the third largest denim manufacturer in the world. Arvind has been defining and shaping many collections and trendsetting styles across the ramps and retail outlets in the fashion capitals across the world. Arvind is today synonymous with a vast range of lifestyles products - be it fabrics or apparels. Even as focussed on enriching lifestyles by creating scores of globally acclaimed lifestyle brands, we diversified successfully into retail, engineering, telecommunications and real estate. In all these years, we set our sights firmly on one goal: **Excellence**.

Arvind touches everyday life to bring in that feel of excellence through the brands we all love so much. GAP, Calvin Klein, Creyate, Flying Machine, Megamart-The Retail Chain, Tommy Hilfiger, US Polo, Arrow, Izod, Gant, Nautica to name a few.
