Wherever and whenever you can.

Work hard so that you don't feel
guilty when you're having
too much fun on the weekend.
Clubhouse

Exit blues. Enter greens.

Leave behind the stressful time you had during the weekdays. Come Saturday, it's time to reward yourself with a scintillating game of golf. Spread over an area of 1,30,000 sq yard, Beyond Five's one kilometer long, 9-hole executive golf course will inspire and challenge the golfer in you. And while you're swinging the club like a pro, your family can cheer for you from your course facing villa.

Indulge yourself to the point of feeling guilty.

After a hectic week at work and home, it's time to take your senses on an indulgence trip. That's exactly what Beyond Five's clubhouse has in store for you. A sprawling clubhouse with a built up area of 50,000 sq ft, it has everything to keep you busy for the weekend – indoor games like Smaaash cricket, squash, badminton, basketball court, billiard, snooker, table tennis; and spa, restaurant, conference rooms, suite rooms, multimedia theatre, and gymnasium. Also, if you choose not to do anything you can simply sit back and enjoy the beautiful view of the golf course.

Study your favourite bowlers,
because you're going to face them soon.
Smaaash cricket

Work on your backhands,
forehands, serves, volleys,
footwork. And of course, grunts.

Tennis

Club *beyond five* is powered by SMAASH, which is perfected by **SACHIN TENDULKAR**

Club *beyond five* will have several elements of SMAASH like Cricket, Twilight Bowling and arcade games.

Cricket at Smaaash is one of its kind 360° simulator, where you can face the bowling legends. Unlike a run-of-the-mill bowling machine, Cricket at Smaaash allows you to experience the real thing. This precise technology not only matches the bowling action of cricketing greats but is also perfectly timed. The spectators, cheering, live commentary, high frame-per-second video cameras tracking fielding positions, and of course the international players you'll face, will make for a life like experience.

The ball is in your court.

Shake the dust off your racquet.

Pull out the tennis shoes from your attic.

Take on the court with a might of a Wimbledon champ.

Wield your racquet like a warrior's sword.

So that the ball obediently hits the spot you have in mind.

Hold your breath.
And prepare yourself
for going deep.

Swimming

Run, run, run, so that you don't pan
in the corner in the weekend football game.
