

# THE 15 ACRE CARPET AREA.

BECAUSE NOT ALL HOMES ARE WITHIN FOUR WALLS.

# FIND YOUR SPACE.

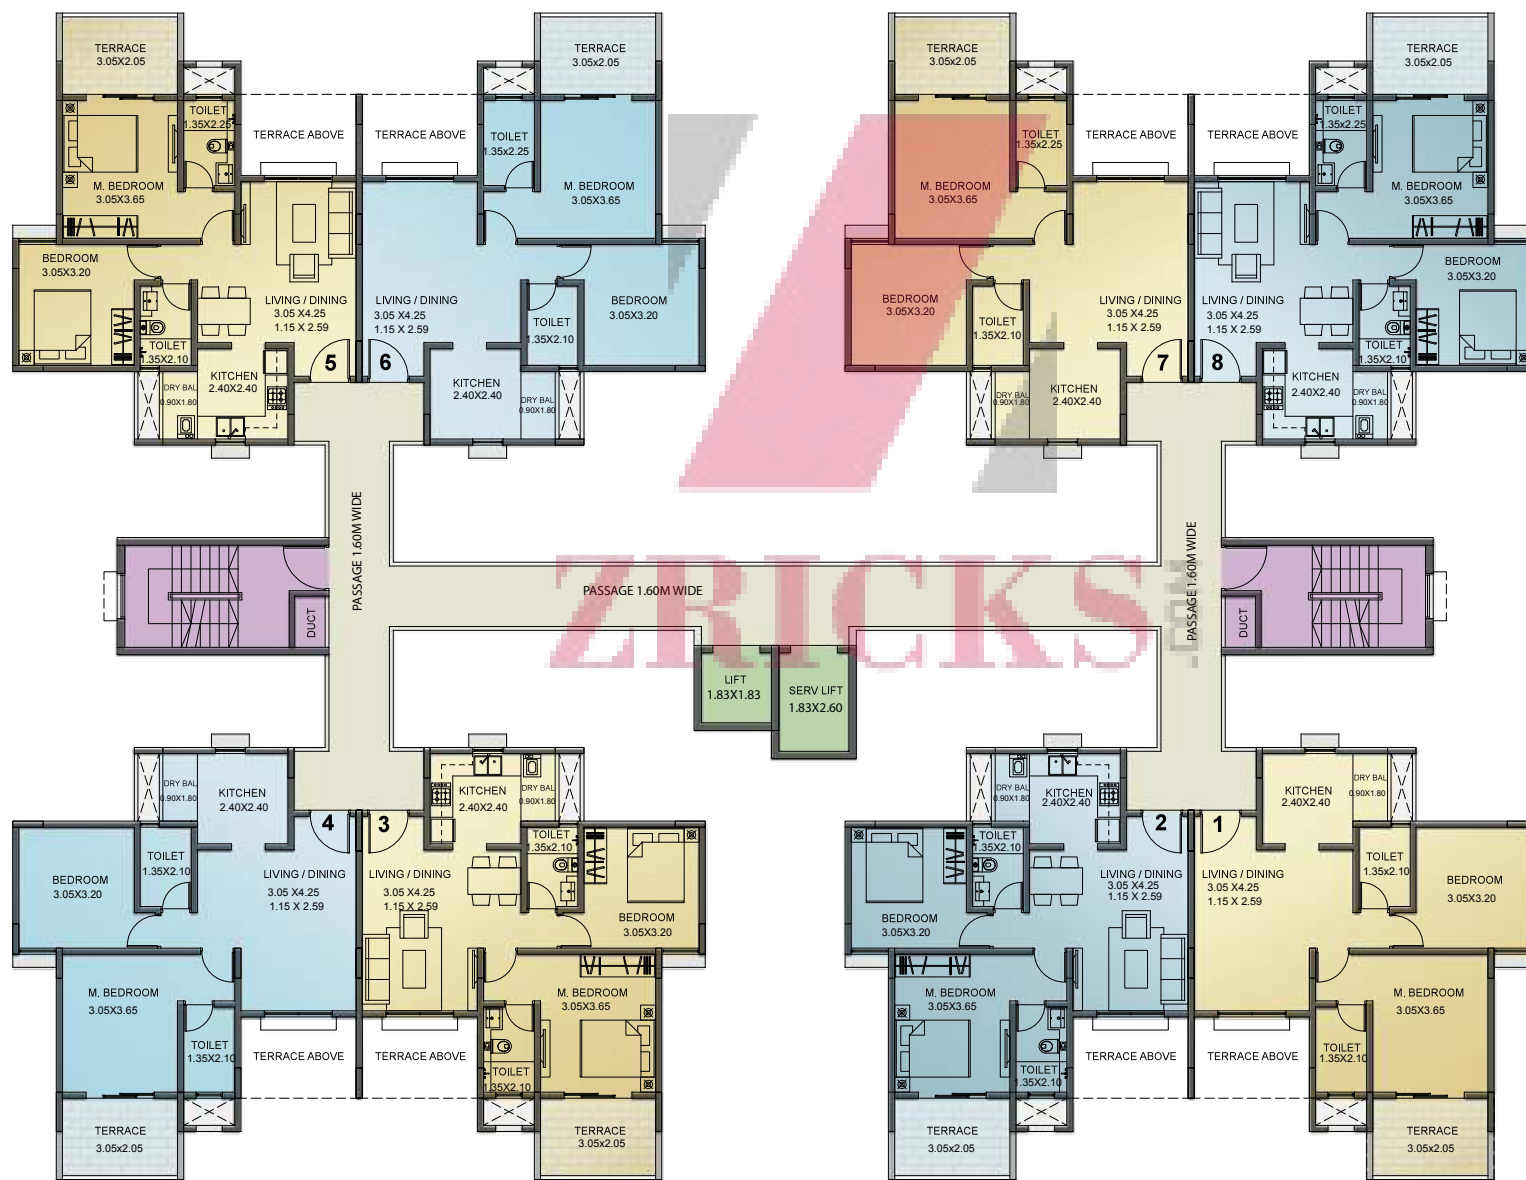

Living experience should not be confined within some concrete pillars, or be defined by a number on the floor plan. It should be an amalgamation of space designed to be a haven for every individual.

That's why when you step into Astonia Classic, we know you won't just find your dream home, you'll find your space.

# THE 15 ACRE CARPET AREA. AMENITIES

That's what you get when your address reads Astonia Classic. Because home is all around you. Whether you're clocking up laps in the swimming pool, moving your body to the rhythm at the Aerobic Studio or simply taking a stroll through the garden. It's all part of your home here.

2 BHK FLOOR PLAN

# THIS HAD TO BE DONE, BECAUSE YOU'RE GOING TO CALL IT YOUR HOME.

The Astonia Classic apartments were all designed with this thought in mind. That's why the 2 BHKs over here can boast about their sprawling spaces and well ventilated rooms. The buildings have ample parking spaces and extremely reliable security system. Because like we said it's all about finding your space.
