Z E N,

A WORD EVOLVED FROM
A JOURNEY OF THOUSANDS
OF MILES

ZRICKS

www.Zricks.com

The word Zen is the Japanese pronunciation of the Chinese word Chán which in turn is the derivation of the Sanskrit word

‘ D H Y Ā N A ’

meaning meditative state.

Zen is the Japanese school that pays great emphasis to the value of meditation as well as intuition rather than ritual worship or study of scriptures.

The goal of Zen is to look within ourselves and discover our true nature i.e. enlightenment or 'satori' through meditation.

ENSŌ

A UNIVERSE
IN A
CIRCLE

Ensō (circle) is a sacred symbol
in the Zen school and is
one of the most common subjects
of Japanese calligraphy, even though
it is a symbol and not a character.
You may hear

it called the **Circle of Enlightenment,
the Infinity Circle** and even the
Lost Symbol of Reiki.

If you actually look the meanings of the two
Kanji symbols that make up the word,
ensō would translate as

**Mutual Circle
or
Circle of Togetherness.**

In the sixth century a text named the *Shōhinmei*

refers to the **way of Zen as a circle
of vast space,
lacking nothing
and holding nothing
in excess.**

Its symbolism refers to the

beginning and end of all things, **the circle of life
and the connectedness
of existence.**

It can symbolise emptiness or fullness, presence or absence. All things might be contained
within, or, conversely, excluded by its boundaries. It can symbolise infinity, the "no-thing",

the perfect meditative state, and

Satori

or enlightenment.

It can even symbolise the moon, which is itself a symbol of enlightenment - as in the Zen saying,

"Do not mistake the finger pointing at the moon for the moon itself."

Enso symbolises many more

things including:

**strength, elegance,
the universe,
single mindedness,**

the state of mind of the artist at the moment of creation

The circle may be open or closed.

In the former case the circle is incomplete,

allowing for movement

and development as well as the perfection of all things.

Zen practitioners relate the idea to *wabi-sabi*,

**the beauty
of imperfection.**
