

SADARSH
SERENITY
home is where peace is
WHITEFIELD

Where do you go to find peace? That sacred space where time slows down, where the cacophony of thoughts is silenced by the stillness of nature, and where the serenity of your surroundings lead you into a cocoon of peacefulness that can only be termed as luxury, if only because it's available to the very few.

Come home to Serenity. Homes that are designed to usher you into this rarefied state, every day. Spread over 24 acres, Adarsh Serenity offers 171 villas nestled snugly in the midst of lush greenery, giving you complete privacy, opulent comfort and boundless peace. Custom-built to your taste, the smallest of details are meticulously taken care of, for the highest quality. You can also immerse yourself in state-of-the-art amenities like the modern clubhouse, swimming pool and more. All of them planned to ensure you explore your senses to the full. Adarsh Serenity. It's where peace is.

BLISSFULNESS

A shared state of joy and pleasant moments
are only possible in a space designed to stimulate them.

ZRICKS

At the centre of any family moment is a spacious living room with high ceilings and large bay windows that look out to soothing greenery. A space designed to stimulate conversation and create shared moments of joy that make every day seem like a blessing.

HARMONY

The perfect moment of togetherness is achieved when design and detail fuse together with ease.

ZRICKS

A fine dining experience is largely influenced by the ambience in which it's done. The dining area in your villa is made for such memorable instances. With windows designed to suffuse the interiors with natural light and inspire special family moments.

EQUANIMITY

A relaxed environment is brought about by design that finds a delicate balance between the aesthetic and the functional.

ZRICKS

Bedrooms at Adarsh Serenity are more than a place to retire to, it's a place designed to usher you into your inner space, private and luxurious in equal measure. Spacious and bright, it invites the designer in you to step out and create your own special sanctuary.

OPENNESS

The right mix of taste and flavour is created by finding a balance between ergonomics and spatial design.
