The Master Developers of Zricks

Creating a home is one of the most important decisions of our lives. Therefore, you must want to be sure to choose the perfect home, safely in a location you can count on. Like Mega Garden City provided by Zricks Builders in Noida Sector 18. In Sector Number 18 and 19, Zricks has developed a new project, Mega Garden City. This project has already received an impressive award more than 10 residential and commercial projects in Gurgaon and Gurgaon. Today Mega Garden City has emerged as a leading development of Zricks with a promise to transform the quality of Zricks and establish a new standard living through its incorporation of high-end environment from city to village.

Mega Garden City aims to be a complete development that is ideal for living, shopping, entertainment, and a combination of sustainable living. We represent that our master developers that encourage our efficiency and have a positive impact on the environment. Our commitment to customer's needs as well as today's is reflected in our use for international green building accreditation.

The goal is to create living spaces that take a new sense of community living. Our master developers, Mega Garden City and Mega Garden City, introduce the in the many indoor and outdoor facilities that are combined to create interaction amongst residents and neighbors. With the sense of home, a community, and a new quality and security feature.

More than 1000 families have already made it their home. It would add great community living. Studio apartments to 1200-1500 BHK houses and penthouses. Mega Garden City is ideal for those with young kids, corporate professionals and the elderly. Perfectly suited to offer a modern lifestyle, the development is equipped with a modern club house, swimming pool, and other facilities.

Choice of home, style, and location for all. For more, see page 10.
