A
VILLA
OR
AN
APARTMENT?
OR BOTH?

A villament is a mélange of a villa and an apartment.

It's where an apartment ends and a villa begins.

It gives you the privacy and openness that you'd have in a villa, and also the amenities that you'd find in an apartment building.

With each villament ranging at 4,500 sq. ft., the service and exclusivity is one that you won't find in either an independent villa or an apartment complex.

Now you can indulge in the luxury of a home that is the best of both.

A LAYOUT
PLANNED
MASTERFULLY.
SO YOU
CAN LIVE
PEACEFULLY.

SHILOH

V I L L A M E N T S

Your villament begins from the time you reach the premises.

You're welcomed at the common lobby where the concierge awaits your arrival.

The private rooftop caters to activities and entertainment.

And overall the tower is planned impeccably, to ensure that your privacy and comfort are held in the highest regards.

LIVE. DINE. ENTERTAIN.

The residence is planned in such a manner that you can have three independent areas within one large space. This arrangement gives a spacious feeling to the home and the freedom for you to design it based on your lifestyle.

IN/OUT DOORS.

The outdoor recreation area is uniquely designed to have dual functions. On one hand, it acts as an extension of the living and dining areas, which makes them grand and spacious. The beautiful daylight and breeze flowing through inside, makes the mood uplifting. And on the other, this area is large enough to host multiple recreational and entertainment activities, which offers a lively and exciting element to the residence. This way you can spend as much time outdoors as you do indoors.
