OFF MAGADI ROAD, BANGALORE

**HOMES CRADLED BY TREES**

come  
explore

vriksha

As Provident's family of happy customers continues to grow bigger, faster and stronger, we present to you **"Vriksha – by Provident"**.

Trees as we know stand for all things good. Be it life giving oxygen that we breathe or in providing a cheerfully green ambience.

The inspiration to launch this project arose out of concern for the number of trees being cut and the rapid decline of green cover in Bangalore, a city once known for its trees and gardens.

This is why we are offering you a home nestled amidst hundreds of flowering trees. With clean air and cool surroundings, these homes will ensure every resident of a peaceful and healthy living. With a wide range of amenities on offer, strategic location and the promise of appreciation, you come home to a life that is "rooted" in truly great sense.

**व्रिक्शा** is spread over **6 acres** of land with a wide variety of flora and 330 trees.

Be it finding your own space, or living life at your own pace, **Vriksha** offers you an environment that you can truly call your very own private haven.

Come, discover space as it unfolds new dimensions that you have never experienced before.
