About the developer

TDI is the flagship company of Taneja Group. Since its inception more than 2 decades ago, TDI has carved a niche for itself in the burgeoning field of real estate development and construction. The company has consistently set quality benchmarks in property development by creating world-class townships and commercial spaces, in prime locations. The company's ability to meet the special requirements of the real estate market and clients stems from the strong foundations of professionalism, integrity and unrivalled market knowledge.

Presently, TDI has 11 Malls cum Multiplexes, 8 ultra modern office cum Retails complexes, 8 residential townships in Delhi, Haryana, Uttar Pradesh and Punjab (operational as well as under development). Every single project that bears TDI signature stands out from the rest, in terms of design aesthetics and quality of construction.

TDI has left an indelible mark in the real estate landscape of the country and is constantly setting up new quality benchmarks and introducing conceptual innovations coupled with cutting edge construction technologies both in residential and commercial spaces. TDI stand for high standards of quality, both in planning projects and maintaining relationships, offering mutually beneficial and fair dealings and on time completion of projects.
