about

VIANAAR

Vianaar is a real estate company that was incorporated in 2007 and within a decade has established itself as one of the leading real estate developers in Goa. It now has 17 residential projects in Goa and each one is magnificent in terms of unmatched luxury, beautiful designs and quality construction. These successfully completed Goa residential projects are located in Reis Magos, Salvador Do Mundo and Siolim.

All the projects are designed and executed by the company's in house construction and design team who ensure that each project has something new to offer. This team is led by an experienced architect and together they work hard to make sure that each of the properties in Goa has perfect aesthetics, balance and form.

It is no wonder then that so many people have made a Vianaar property their home. Rest assured that you will not go wrong when you choose Vianaar – the name that symbolizes happy homes in Goa!

VIANAAR HOMES ARE THE EPITOME
OF A CONTEMPORARY LIFESTYLE

EL REINO

El Reino Apartments is located at Reis Magos in North Goa. This property is made up of 35 apartments which are divided into 2 BHK, 3 BHK apartments and penthouses. These premium luxury apartments epitomize urban living and offer you superior designs and deluxe features.

A fantastic blend of sophistication and comfort is available in each of these lavish apartments. World class facilities are provided so as to ensure a life of convenience and luxury. Services on offer include but are not limited to 24*7 security, housekeeping, rental management, utility bill management, Concierge services and so on.

Verdant greenery surrounds this property and a swimming pool with a water cascade adds to the beauty of it. The apartments are built on slightly elevated land and offer spectacular views of the Nerul backwaters on one side and orchards on the other.

El Reino Apartments offers one a piece of Goa that is both picturesque and unique.

A FINE BLEND OF STATE OF THE ART AMENITIES AND NATURE AT ITS BEST IS WHAT EL REINO PROMISES.

DESIGN

Utmost care and attention has been given to the design of these apartments. These luxury apartments are functional with a well planned layout and the marvelous interiors make it aesthetic as well. El Reino is divided into 12 blocks with a central pathway running through them. The 3 BHK apartments and penthouses will be located on the second floor while the first floor and the ground floor will have the 2 BHK apartments.

Open staircases run through each of these apartments and add a unique touch to them. Add to this the high ceilings and large glass facades and one has a holiday home that promises nothing but the best in opulence and style. Other excellent specifications include terrazzo tiles, a modular kitchen with state of the art fittings, Italian PU coated doors, hand painted tiles and so on. Not only are these apartments superb in design and architecture but they are also among the best environment friendly apartments available today. Eco design features include rain water harvesting, drip irrigation, the use of organic products and so on.

Surrounded by magnificently landscaped gardens, paved driveways, water ponds, brass ironmongery among other delightful features, these apartments are the perfect place to call "home".
