Spreading Trust &
Bonding Relations...

AVM VENTURES - is a professionally managed company founded by the dynamic and creative team of directors from realty industry having an outstanding track record for more than a decade in the burgeoning real estate industry in greater Hyderabad & Bangalore. Since inception the company is engaged into property development and has colonized and made in the prime locations and fastest development landmarks of Hyderabad & Bangalore.

AVM VENTURES is one of the few to ensure good approach roads to layouts designed with ample common areas around the aesthetically laid out plots. It has also pioneered the trend of gated communities, a foolproof method of ensuring security of the residents. In reality, the company promises to deliver more than its share of commitments. This has resulted in winning accolades from satisfied clients across various sectors including MNC's, Business class, government employees etc.

At AVM VENTURES we believe in providing the best quality of living space where the dreams of investors are realized and the desire of every resident is fulfilled. We invite you to be a part of our valued clientele and allow us to escort you into the prospective and golden future of AVM VENTURES.
