Swimming Pool

Take stroll here to merge with the nature. When was the last time you watched a butterfly perched on a flower? Or try your hand at table tennis, chess, carom and other indoor games or play badminton or basket ball. Shed some calories at the well-equipped gym or go for jogging at the well-laid out track or do some yoga. To relax you have the sit-out at terrace or the meditation centre. For the kids there's a children's play area and for the toddlers, there's again an exclusive tiny-tot's area. If you feel there's nothing like swimming, get into to the swimming pool, where there's a separate one for the children. There's also a multipurpose hall for you to throw small parties on the occasion of birthdays etc.
