ABOUT VGN

VGN is a multi-million dollar real estate company, headquartered in Chennai. Established in the year 1942, VGN has successfully carved a niche for itself in the ever-dynamic real estate industry for over 76 years. VGN is known as much for its beautiful, world-class homes, as it is for following best practices in the industry. It is not only ISO 9001:2008 certified but also an Integrated Management System (IMS) certified company by Lloyd's Register.

With over 20 million sq. ft. of residential projects under development, over 600 acres of plotted development and 50,000+ families living in our projects, VGN is one of the most respected and reputed builders in Chennai. Starting with affordable housing and spreading our wings to ultra luxury segment, we have catered to all sections of the society. We have successfully delivered 8500 homes as of December 2018 and another 10,000 homes are in the pipeline. Synonymous with quality, timely delivery, expertise and trust, VGN is a name that is here to stay.

While we may have numerous achievements under our belt, we take pride in the fact that we have been helping thousands of families realise their dreams, providing exponential returns on their investments. And it is this satisfaction that we derive from what we do that makes us venture into newer and more challenging areas in property development.
