Site Infrastructure

Gate Guard Room

Boundary Wall

Waste management

Fountain at Road Junction

The township has been developed as per the authority (L.D.A.) bylaws and advance ecofriendly techniques. Security systems are indispensable so the township is enclosed by boundary wall and a gate with guardroom. Fire hydrants has been installed as a critical piece of any emergency response system used to preserve lives and property. We also facilitate within our township to undertake rainwater conservation initiatives by providing Rainwater harvesting system.
