We've always added colour to life.

In Jaipur the journey started in

2006

Ashiana Manglam & Utsav

Ashiana began adding color to Jaipur's lifestyle when they broke ground with the launch of Ashiana Manglam. The project offered many new ideas which was like a breath of fresh air in the already crowded real estate market of Jaipur.

This was followed closely by Ashiana Greenwood in Jagatpura and Ashiana's Pioneering Senior Living project - Ashiana Utsav on Kalwar Road.

The important part of all these offerings was not that these projects were built and delivered on time but how Ashiana transformed the lives of happy residents who live there. Large open spaces, well-planned greens, spacious clubhouses, facility maintenance and its vibrant communities became the hallmark of Ashiana. The smiling faces of Ashiana residents are testimony of their colourful lifestyle.

After launching Ashiana Manglam,
Ashiana Utsav and Ashiana Greenwood...
We created a landmark in Jaipur

2010

Rangoli Gardens

It was time to make Jaipur's skyline more colourful, so Ashiana launched its path-breaking project - Rangoli Gardens (a joint project by Ashiana & Manglam). Its landscaped greens, central parks, creative fountains, water bodies, lavish clubhouse and the well-planned site layout defined new standards in the real estate sector in Jaipur.

Once again, it was not the bricks and mortar that added colour to the lives of its residents but was its high occupation and its highly interactive community that defined the difference. Expectedly, Rangoli Gardens attracted the crème de la crème of Jaipur's society which has turned into a pulsating self-contained township.

By the time the project was completed and delivered in 2015, Rangoli Gardens had not only added enough colour to Jaipur's fabric but also won the award for "Best Budget Apartment Project of the Year" by NDTV Profit.

As we continue to add colour
to Jaipur's lifestyle...

We bring you another benchmark
